Where's my partner?

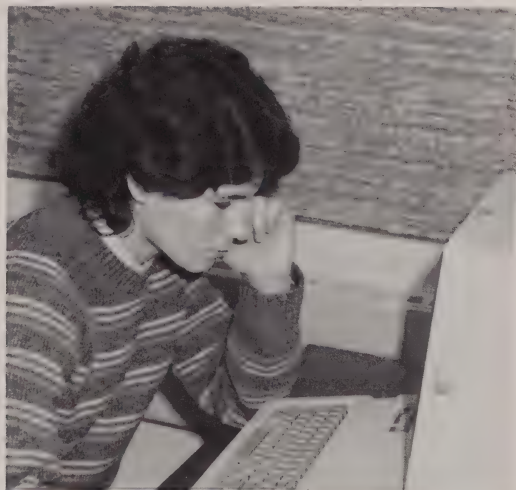

Where's MY partner?

Now I get it!

L. Marzilli

I don't get this.

Howdie!

What do you suppose that is?

A helping hand.

Buddies forever.

Renbrant, Monet, Picasso.

Contemplating Unified Field Theory.

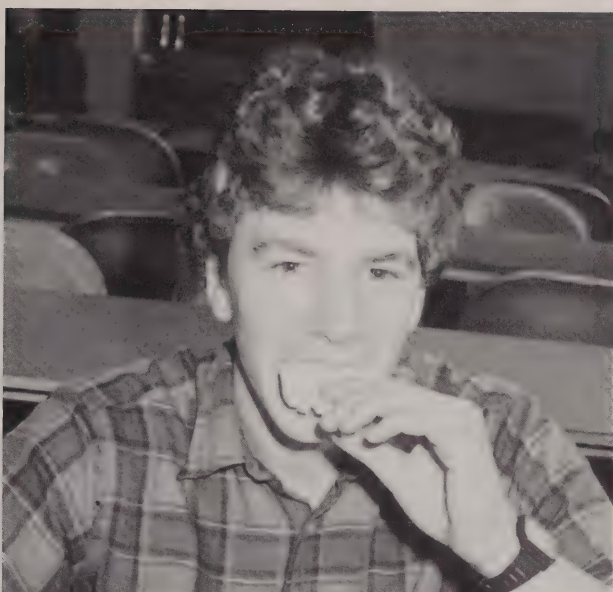

I'm so sweet.

I can't believe you wrote this to me.

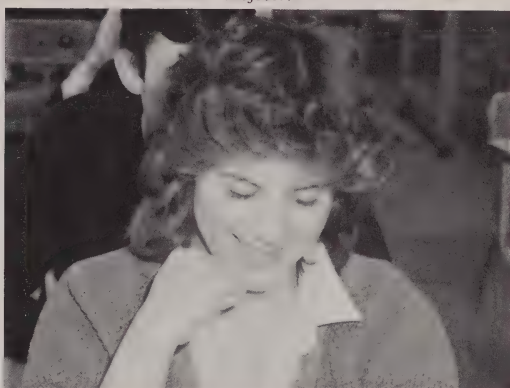

Can you believe he said "hi" to us?

His favorite subject?!

J. Vaz

Love is ...

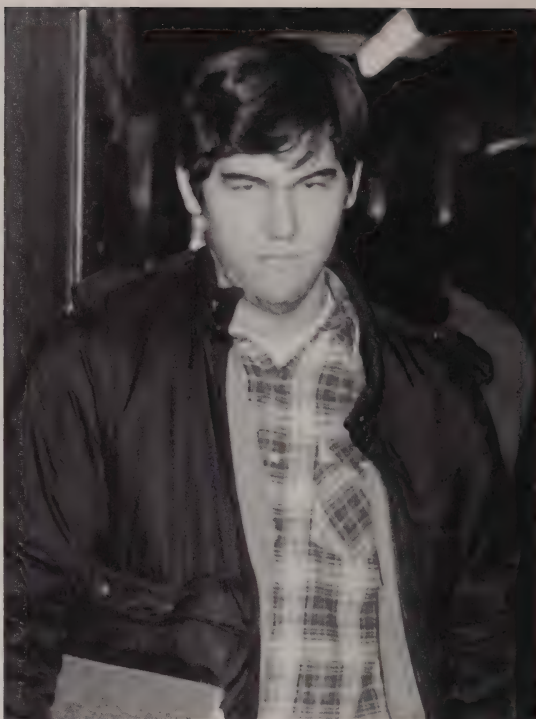

A wolf in sheep's clothing.

That's right, keep on going.

You're supposed to move your feet.

I'm mean!

It's such a fine day.

She said that?

She did it.

Fling your partner.

You're supposed to move your feet.

They don't do THAT in Sweden!

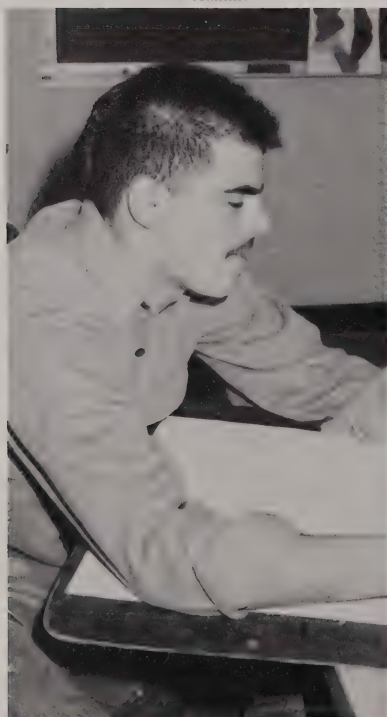

What do you know; it works!

I'm a Hamm!

This computer is prejudice against me.

Sleeping Beauty?!

This class is one laugh after another.

Cheer up sleepy Jeanne!

ADMINISTRATION

CLASS OF 1985:

Your yearbook contains a few of the highlights of your senior year and serves as a reminder of your high school experience. We are proud of our association with you as students in Dighton, Rehoboth and at D-R. You have made positive contributions to our proud tradition. As a direct result of that effort and the assistance of the faculty and administrative staff, you are ready to carry that same proud tradition into the community. We have pleasant memories of our past association and have high expectations for you in all your future endeavors.

Good luck and best wishes.

Very truly yours,

Joseph C. Harrington, Ed. D.
Superintendent of Schools

Our hearty congratulations to all of you. Today you are graduates. Today you are successful. This, however, is just the start. You are now ready to begin another important phase in your life.

Your high school days will never be forgotten. Many, many times you will reflect upon these years as "the good old days."

Our nation needs the talents that you people have in abundance. I hope that each of you is willing to accept the challenge of making this a better world for all people.

We have enjoyed your stay with us. On behalf of the administration, faculty, and staff of the high school, I wish each and everyone of you the greatest possible success and happiness in the years that follow.

Marshall Sawyer
Principal

To the Class of 1985:

As the years pass by after graduation, you will realize that the time spent at Dighton-Rehoboth went all too quickly. You may wish that you had studied more, taken some courses you didn't, joined some team, participated in an extracurricular activity, or done something that would have left an indelible record of your having been here. The key, however, is that you not only benefit from what you did but from what you did not do. It is never too late to start anew. In whatever you do, I hope that each of you enjoys a life that is blessed with good health and much success.

George H. Petrin
Assistant Principal

Congratulations to the graduating class of 1985. You have completed one phase of your education. Build upon the excellent foundation you have received at Dighton-Rehoboth Regional High School. Continue to grow and learn, developing into useful, knowledgeable, and contributing citizens.

Francis M. Marcille
Assistant Principal
Director of Occupational Education

"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

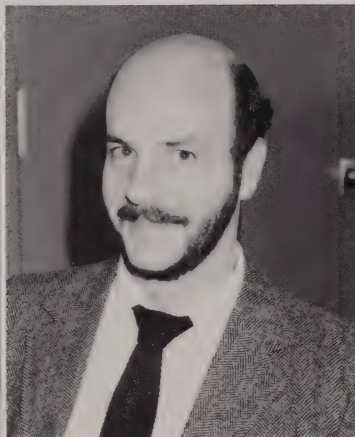

Congratulations to the Class of 1985. I wish you well today and always. May you use your talents wisely and generously.

The National Honor Society, enthusiastically led by Joan Paxson, began a very successful year with a record-breaking collection of funds for the CSF at the Rehoboth Fair. In November, six seniors and thirteen juniors were inducted into the NHS at the annual induction ceremony. A formal tutoring program was initiated this year, and the longstanding tradition of selling refreshments at basketball games and carnations on Valentine's Day was continued. The NHS members of 1984-1985 have exemplified the qualities for which they were selected — scholarship, leadership, character, and service. It was indeed a very good year.

Mello (secretary), J. Perra (President), J. Conlon (vice-president), D. Marcoux, L. Marzilli

Without doubt, the 1984-85 Student Government organization was the most active since its inception. The list of accomplishments includes the following: the first time use of an informational ballot during the time of a national election, participation in the Southeastern Mass. Spring Student Councils Convention, participation in the "Mustard Seed" selection process, participation in the "great American Smoke-out", raising \$602 for the purchase of 15 Thanksgiving baskets for the needy in Dighton and Rehoboth and concurrently raising \$250 for the D-R Citizens Scholarship Foundation, collecting toys which were given at Christmas time to youngsters at the Paul Dever School, the sale of "Santa Letters" to raise money for the treasury, the most successful ever Ham and Bean Supper and Food Sale raising \$1,1856.85 to be contributed to the Citizens Scholarship Foundation, participation in an anti-smoking program at the junior high and elementary schools in Dighton and Rehoboth which involved a poster contest and presentations by Student Government members at the various schools, the establishment of a "Students Against Driving Drunk" chapter at D-R with a separate treasury made up of donations to support this cause, support of a suicide awareness program at D-R, establishment of corridor decorations for Freshmen at the opening of school, the purchase of a tree for the front of the school to replace a vandalized tree, establishment of a renewed school spirit by way of pumpkins at Halloween in the main office, Christmas decorations in the foyer, including a tree decorated by the children in the lab school and by giving gifts of fruit baskets to the secretaries in the main office and the guidance center, the purchase of flowers to be given out to the senior girls at graduation, the revision of the Student Handbook and the establishment of an assembly program which this year featured the former Mass. Speaker of the House of Reps. The successes of the various Student Government projects were a direct result of the hard work of the members. There is no doubt, however, that much of the credit should be given to senior, Jennifer Perra who, as this year's Student Government President, provided the driving force and leadership necessary to make the 1984-85 Student Government the most successful ever.

NEWSTREET

The Newstreet staff was rather small and busy this year. Although they put out few editions of the newspaper, they have added many articles to the Newstreet storage disk. Hopefully, these will be used next year by a bigger staff and the output will be enhanced with the use of a word processor. Picture not available: L. Tweedy

YEARBOOK

The yearbook staff is responsible for organizing, designing, and assembling the yearbook. This year's staff, ably managed by editor Lori Gousie, has done an outstanding job in meeting their responsibilities. We hope that your yearbook provides you with many hours of pleasure recalling your high school years.

The purpose of the Media Club is to give interested students an opportunity to participate in the running of a library. The members of the Media Club give their free time during study hall to work in the library. Their role in the library is multi-faceted. They sort the library's daily mail, check books in and out, shelf books, and help deliver audio-visual equipment requested by the faculty. Library aides also photocopy reference materials requested by other students. Because of the invaluable service these aides provide, the library functions much more efficiently.

The DECA club had a rewarding and prosperous 1984-1985 school year. DECA sponsored the fifth annual Senior Citizens Spaghetti Supper in November with over 200 dinners served. The club also sponsored a Christmas party for the Meeting Street School Children. The club provided refreshments, presents, entertainment and of course Santa Claus. This was a rewarding year in competition as well. The club won 33 awards as the District 1 Conference and 15 awards at the State Career Development Conference.

The main purpose of the Beakers is to provide students with the opportunity to come together to enjoy and to share their common interest in the sciences. Activities of the Beakers include guest speakers, films, field trips, science fair participation, and fundraisers. One of the goals of the club is to raise money for the purchase of a microcomputer for the science department. Members are required to be enrolled in science, to maintain an average of C or better in science, and to pay membership dues. Active membership is encouraged.

SOUND IMPRESSIONS

What a busy year! Beginning in October, Sound Impressions participated in the Bay State Show Choir Festival. They performed in December's Winter Concert and in January's Tri-County Choral Festival. They also performed for various civic organizations throughout the community. Their final performance for the year came with a flash at the Spring Cabaret in May, as they sang and danced for a solid twenty-four minutes. Another banner year for Sound Impressions!

The 1984 Falcon Football Squad completed a highly successful season with an eight-two record. This placed the Falcons in second place in the S.M.C. Division III league. Highlights of the season included an 18-8 thrashing of powerful Case, and a stunning 30-14 come-from-behind win against Seekonk on Thanksgiving. The league championship slipped away from the Falcons in a well played, hard-fought 14-13 loss to Bishop Stang.

All-league honors were bestowed upon Steve Noons, Peter Rossi, Rod Correia, and Garrett Blanchette. In addition Steve Noons was selected to play in the Shriner's All-star Football Classic at Boston College.

Cheering this year, as any year, has been the best. The spirit was felt throughout the squad as well as the fans. The seniors were a great supplement to the squad, and the new recruits learned quick. Cheering for the football players has always been a pleasure and something we are all very proud of.

Gee, this is fun.

Thank you, Thank you!

My fans love me.

This year's Pep Squad had a very successful and enthusiastic season. The members of the squad created excitement in the stands and precision on the field. The complex marching routines made the half-time show look better than ever. The D-R spirit and support was very evident during the 1984-85 season.

The majorette squad of the D-R FME increased in size this football season. The ten member squad, under the direction of their captain and band director, provided football fans with a very talented and entertaining half-time show. It was our pleasure and we hope you enjoyed it. Missing from picture: advisor — Mrs. Araujo

Because of early season injuries and outstanding competition, the Falcon harriers began slowly. But, with the outstanding improvement of sophomore Carl Benker and with the addition of freshman Michael Jack, the team enjoyed a good second half of the season. Led by Liz Collins, the Cross Country team had its first girls' team in four years. With the formation of a new league next year — the South Coast Conference, the Falcon runners look forward to a very successful fall campaign, hopeful of earning a state class title if they work hard enough throughout the summer months.

Lead by co-captains Karen Ficorilli and Christen Simmons, the varsity volleyball team provided tough competition throughout the season against solid opponents. Despite early losses to Division I teams, both the varsity and junior varsity team members continued to work hard and, as a result, earned several wins in the second half of the season. With only three seniors graduating this year and with five returning varsity players, next year's team promises to be very competitive. The entire team, both varsity and junior varsity, is to be congratulated for their enthusiasm and spirit. Best wishes are extended to our seniors, Karen Ficorilli, Christen Simmons, and Amy Hamm.

With the return of only one starter from the previous season's championship team, the 1984-85 season looked to be a rebuilding one for Coach Field and his young Falcon Team. But with the leadership of senior co-captains Rod Correia and Gary McKearney, the Falcons managed a second place finish in S.M.C. Division III and qualified for State Tournament play for the fourth time in the past five years.

Juniors Steve Masciarelli, Steve Boskus, John Murphy, and Tom Harris along with sophomores Peter Larue and Steve Reed made significant varsity contributions in the 1984-85 campaign and gained very valuable experience. Senior Chris Harrison, playing for the first time, was a very positive addition to the squad.

Senior Gary McKearney and junior Steven Masciarelli were named to all of the area All-star teams. The 1984-85 season was a success and the Falcons can be proud of their effort and their accomplishments.

The 1984-85 Falcon Girls' Basketball Season was highlighted by qualification for the State Tournament and a 58 to 57 overtime win against Westport, breaking that team's league consecutive winning streak at thirty victories.

Intensity and unity were trademarks of this D-R team which was led by seniors Kerry McElroy (co-captains), Sandy Turgeon (co-captain), Tammy Helgerson and Elizabeth Collins.

The girls finished the season with a record of twelve and seven which earned for them sole possession of second place in the S.E.M. Division III Conference.

Hurry ... the boy's shotput is starting!

Perfect form

This track season if titled would be called the "year of promise" as the young squad won its last three meets, finishing the year at 5-4. The 40 member team was dominated by freshman and sophomores who improved with every meet. The Falcons were led by sophomore Kate Collins who scored 160 points for her team and senior Kerry McElroy who scored 88 points dominating both the shot put and discus events.

The season was highlighted by the team's strong showing at the divisional meet and by Kate Collins who qualified for state finals in TWO events: the long jump and 100 low hurdles.

Seniors who participated in this year's team were Kerry McElroy undefeated in discus, Kim Nason who was undefeated in the 2 mile (in dual competition), Nina Mathiason who scored 50 points, Liz Collins, and Sandra Turgeon.

K. McLoughlin

Reaching for the sun.

This is gonna go five feet.

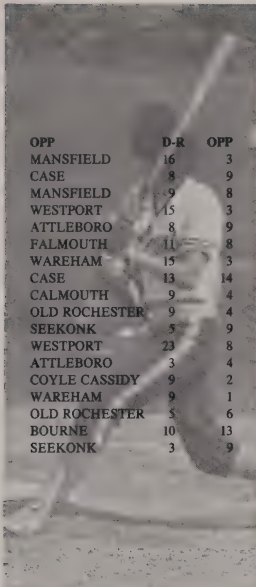

Throw the ball! One of us will get it!

Now what was that supposed to mean?

Success equals peace of mind; peace of mind equals the self-satisfaction of knowing you did your best. By this measure the girls' tennis team was very successful. With only three returning veterans this year, the emphasis was to fine tune the returning three and develop basic skills in the newcomers. Experience is vitally important in the development of a tennis team; yet in spite of the lack of experience of the eight new members, their desire to see personal growth in themselves and the leadership of the three veterans brought about an improved record from last year. There is no secret to success . . . it's enthusiasm, hard work, and honest effort. These three qualities have been exhibited by all members of this year's tennis team.

SENIORS

CLASS ADVISOR

Mr. Driscoll has given us much help throughout the years. His hard work, dedication, and concern have made our years at D-R memorable. Even though he is involved in many other activities, he has always found time for our class. His thankless jobs will always be appreciated.

THANK YOU, MR. DRISCOLL

FAREWELL TO A FRIEND

Jack Berger 1933-1983

Jack Berger was truly a unique individual. Amongst the masses of humanity he stood out with his own wonderful identity. There is no one like him nor shall there ever be. In that sense, we all are blessed that he touched our lives.

Whether you knew him for 25 years or just a few hours, Jack always had an impact. You would never forget this big man with an incredible sense of humor and total honesty. He would always tell it like it was even if you did not want to hear it.

Jack always said "well you can't shine a sneaker!" Now that was something that made me laugh, but yet, was very profound. In otherwords, we are what we are, and there is no point in trying to cover it up. Jack never did. His sneaker never could be shined, and he was proud of it.

Jack worked hard. He served his country well. He played hard. He lived life. He cared what happened in this world of ours. He touched us all in so many ways as we all have our own very personal memories of him. For me he was the first one to treat me as an adult when I was a younger man. Our friendship never stopped growing thru good and bad times alike.

Jack never stopped growing as a human. We can all take stock in him for he taught us well. I hope I have one tenth the courage he had. Stubborn, yes, but he was willing to learn.

This world of ours is surrounded by problems. We are filled with prejudices that prevent harmony. But take this scenario to heart: You find yourself on a hospital table saying, "Doctor, Doctor, save me!" He or she is of another color, race or religion; but this makes no difference for it is one human being helping another. These are not my words but Jack's! He taught us well.

Jack was a good friend; someone I could call my best friend. In times of trouble, he was always there. He never stopped helping his fellow man. Jack loved Muriel. Jack loved his family. Jack loved his friends. Jack loved the land because in his heart he always was a farmer. But most of all, Jack loved, and that is God's greatest gift to us all. As big as he was, his heart was even bigger.

We surely feel cheated that we no longer have him. It is difficult for those of us who remain to carry on, but carry on we must. Jack's promotion to everlasting peace is now, and ours is another time. He is deserving, and that is his reward for the love he brought to this world. The green, green grass of home is his forever. Just remember one important point. His spirit will never die and will always be with us by our side.

Yes, he was the best Damn Protestant Yankee, I ever knew!
